BENSON'S

Capcine Porous Plaster!

A great improvement on the ordinary porous plaster. It is a strong, healing and pain-killing agent in one.

The manufacturers received the highest and only award given to Porous Plasters at the Centennial. We warrant Benson's Capcine Plaster to be superior to all other Porous Plasters and to all liniments.

ASK THOSE WHO KNOW

Ask any physician if Benson's Capcine Plaster is not the best plaster in the world. This remarkable article was invented to overcome the great objection always found to the ordinary porous plaster of slow action in bringing relief.

LAME BACK.

For lame and weak backs—numerous troubles of the spine and limbs—it is a truly wonderful remedy. Physicians everywhere recognize its great superiority to other porous plasters and to all liniments. It relieves pain of acute and causes quicker than any known plaster, liniment or compound.

CAUTION. THERE are dangerous and misleading advertisements of Benson's Capcine Plaster in the market. The genuine "Capcine" cut through each plaster. Sold by all druggists. Price 25 cents.
